Nav models feature satellite navigation with colour monitor. S/S = Start/Stop.

Fuel consumption figures are determined according to the WLTP test cycle. CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge.

Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability

For more information please contact Vauxhall Motability FREE on **0800 731 5267** or email motability.customer@vauxhall.co.uk
