HONDA
The Power of Dreams

BLUE SKIES FOR
OUR CHILDREN

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

HONDA

THE NEW HONDA HR-V

Subtly refined and enhanced, the bold new HR-V delivers a multi-dimensional driving experience that's small on compromise and big on fun. The world's best selling small SUV* blends the beautiful lines of a coupé with the practical space and toughness of an SUV, creating a car that can keep pace with your life, wherever it takes you.

*Source: JATO Dynamics (Sales period January 2015 - December 2017). Markets include EU + EFTA, NAFTA, China, Japan, Brazil, Russia, India, Indonesia, Australia, Argentina, South Africa, South Korea, Thailand, Vietnam. Model shown is HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

DYNAMIC STYLE

The HR-V's contemporary shape catches the eye and stirs the heart. Its fluid lines have not only been designed to make the car look dramatic but, more importantly, aerodynamic and fuel-efficient.

New design details like its distinctive dark chrome front grille, sleek headlights, rear chrome trim and sporty front bumper give it an elegant, yet rugged look. So, whatever road you're on, from a weekend away, to meeting friends in town, the HR-V is designed to fit.

DESIGNED AROUND YOU

We've intuitively designed the HR-V cockpit to ensure that everything is where you need it. So, although the elegant dashboard includes the very latest technology, it's incredibly easy to understand and use. New leather upholstery*, dual climate control*, electrically adjustable door mirrors and heated front seats* are just some of the features that ensure you will enjoy every journey.

*For more information on which grades this and other features are available on please refer to the specification pages 35-38. Model shown is HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

ENGINEERED TO FIT WITH YOUR LIFE

Designed to adapt to your lifestyle, the HR-V gives you a clever, comfortable and capacious interior. Centrally-mounting the fuel tank endows the HR-V with a huge boot and our novel Magic Seats are further evidence of smart thinking.

These ingenious 60:40 split seats can dive down to the floor, making a large space truly vast, or tip up (as shown here) to allow for sideways loading of awkward objects like a bicycle. What is more, you can easily fold the seats with one hand, in a single motion.

In total there's 1,456* litres of boot space and the wide tailgate opening and low loading height make everything easy to access. From parked to packed in no time at all.

But it's not just the seats that are magical. The fact that the HR-V has the comfortable leg and headroom often found in larger cars, is quite a trick. The sense of space is further heightened by the opening panoramic glass roof**, allowing light and air in.

*Measurement with rear seat down, load to roof (VDA method).

**For more information on which grades this and other features are available on please refer to the specification pages 35-38.

Model shown is HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

MULTI-ANGLE REAR-VIEW CAMERA*

The camera image automatically appears on the 7" Honda CONNECT screen when you engage reverse. Allowing you to have a clear view of what's behind the car.

HEATED SEATS*

Heated front seats keep you warm and comfortable on the coldest days.

GARMIN NAVIGATION*

Garmin PhotoReal™ displays upcoming junctions with photo-realistic images of junctions and exits with arrow lane indication to provide clear guidance. The system also includes predictive routes, real-time traffic avoidance, road speed limit display, 3D buildings, terrain views and more.

ELECTRIC PARKING BRAKE

This replaces the manual handbrake and provides more space around the driver. It applies the handbrake electronically with one flick of the switch and is disengaged by either flicking the switch again or pressing the accelerator.

KEEPING YOU CONNECTED

The HR-V incorporates a full colour 7" touchscreen Honda CONNECT in-car audio and information system* which includes DAB digital radio and the Aha™ app**. These allow you to listen to internet-delivered music services, radio programmes, podcasts, audiobooks and access your social media accounts. Bluetooth™ connects your smartphone to the Honda Hands Free Telephone system within the car, allowing you to stay in touch whilst on the road.

*For more information on which grades this and other features are available on please refer to the specification pages 35-38.
**Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Model shown is HR-V 1.5 i-VTEC EX. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

FEEL GOOD INSIDE

Take time out from your hectic day. Relax. We've designed the spacious interior of the HR-V to be a really pleasurable place to spend time.

You may just be doing the weekly shop but that shouldn't mean you can't do it with space and style. New leather upholstery complements the generous interior and is coupled with sporty details like chrome door handles and leather steering wheel and shift knob*, giving the HR-V a premium feel.

* For more information on which grades this and other features are available on please refer to the specification pages 35-38.
Model shown is HR-V 1.5 i-VTEC EX with manual transmission. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

ENJOY THE PERFORMANCE

Advanced technology gives you a brilliant, highly efficient drive. Choose from the responsive and efficient 130PS 1.5 i-VTEC petrol, or the 120PS 1.6 i-DTEC*.

Both engines are available with 6-speed manual gearboxes for a refined, smooth driving experience.

Plus the 1.5 i-VTEC is available with a 7-speed CVT automatic transmission. When you choose the CVT version you have the facility to drive the car in a relaxed, fully automatic mode or, if the mood takes you, to change gear using the racing car-inspired, steering wheel mounted, paddle shift.

All HR-V engines have idle stop, which turns off the engine when you come to a standstill. It then re-starts automatically when it's time to go, helping to deliver CO₂ emissions from the petrol engine as low as 122 g/km**. By pressing the ECON button, fuel economy receives a further boost. Once activated, the transmission and engine are optimised to conserve fuel. You might not notice the difference straight away, but you will when you visit the pumps a bit less often.

*The HR-V diesel will be available in Spring 2019.

**For a full explanation of economy and emissions figures please refer to page 35. Model shown is HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

EXTRA SMART EXTRA SAFE

The safety of your passengers, other road users and pedestrians has always been one of our fundamental design requirements. That's why we have packed a great deal of advanced engineering into the new HR-V, most of which comes as standard across the range. We think the best way to avoid collisions is to be one step ahead, which is why we offer our Advanced Driver Assistance System technologies. They aid the driver by acting as extra sensors, warning and reacting where necessary.

Like every Honda, the new HR-V is comprehensively tested to exceed the most stringent safety standards and has been awarded the maximum five star safety rating by Euro NCAP.

LANE DEPARTURE WARNING*

If the car moves out of its lane without you activating the indicator, alerts will flash and sound, to help bring your attention to correcting the lane drift.

TRAFFIC SIGN RECOGNITION SYSTEM*

The Traffic Sign Recognition system identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

HIGHBEAM SUPPORT SYSTEM*

The Highbeam Support System assesses the driving conditions around you and switches automatically between high and low beam.

FORWARD COLLISION WARNING*

Should the front camera pick up a car in front, the system warns of a front-on collision, allowing you time to take action.

INTELLIGENT SPEED LIMITER*

This feature cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

HILL START ASSIST

Hill Start Assist prevents roll back when starting on an incline. Using a slope sensor the brake pressure is controlled, keeping the car stationary for 1½ seconds after you release the brake pedal.

EMERGENCY STOP SIGNAL

Emergency Stop Signal rapidly flashes the hazard warning lights, warning following drivers if you need to brake heavily, reducing the possibility of a rear end collision.

BRAKE ASSIST

Brake Assist helps the vehicle come to a stop sooner during emergency braking.

CITY-BRAKE ACTIVE SYSTEM

1: While driving around town between 5-20 mph, to give you the best chance of avoiding a collision, this system can monitor the distance between you and the car in front.

2: If you continue getting closer to a detected vehicle, the HR-V gives you audible and visual warning via the MID display.

3: If you've still not reacted, and a collision is imminent, the City-Brake Active System can automatically apply emergency braking to reduce speed as much as possible. In good driving conditions it can even avoid a collision altogether.

*Available on SE and EX grades only. For more information on which grades this and other features are available on please refer to the specification pages 35-38. Model shown is HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

SE

1.5 i-VTEC
6-Speed Manual Transmission
7-Speed CVT Automatic Transmission

In addition to features available in the S grade, the features on the SE grade include:

- ◆ 17" Alloy Wheels
- ◆ Parking Sensors (Front and Rear)
- ◆ Rear Privacy Glass
- ◆ Front Fog Lights
- ◆ Rain Sensing Auto Wipers
- ◆ Leather Steering Wheel and Shift Knob
- ◆ Highbeam Support System
- ◆ Climate Control Dual Automatic A/C
- ◆ Paddle Shift⁴
- ◆ One Touch Power Windows (Rear)
- ◆ Electrically Retractable Door Mirrors
- ◆ Exterior Mirror Tilt for Reverse
- ◆ Rear Parking Camera
- ◆ Forward Collision Warning
- ◆ Traffic Sign Recognition System
- ◆ Intelligent Speed Limiter
- ◆ Lane Departure Warning System
- ◆ Tonneau Cover (Rear Shelf)
- ◆ Honda CONNECT with GARMIN Navigation and CD Player: 7" Touchscreen, AM/FM/DAB Digital Radio, Internet Radio, Aha™ App Integration and Internet Browsing*
- ◆ 2 x USB Jack/HDMI Jack
- ◆ 6 Speakers

For full specification on this grade, please refer to pages 35-38. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.

⁴Only available on versions equipped with CVT automatic transmission.

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary.

EX

1.5 i-VTEC
6-Speed Manual Transmission
7-Speed CVT Automatic Transmission

In addition to features available in the SE grade, the features on the EX grade include:

- ◆ Smart Entry and Start
- ◆ Panorama Glass Roof (Opening)
- ◆ Roof Rails
- ◆ Leather Upholstery
- ◆ LED Headlights
- ◆ Front LED Fog Lights
- ◆ Auto-dim Rear View Mirror
- ◆ Driver Seat Back Pocket
- ◆ Passenger Seat Manual Height Adjustment
- ◆ Heated Seats (Front)

For full specification on this grade, please refer to pages 35-38.

YOUR OPTIONS

Personalise your HR-V with genuine accessories.

They have not only been produced to our same exacting standards, but each one is specifically designed to enhance and fit your HR-V perfectly.

CHROME PACK

The Chrome Pack adorns your car with flashes of chrome for an extra touch of class. **Pack contains:** Front Bumper Decorations, Rear Bumper Decorations and Chrome Lower Door Decorations.

Image includes 18" Claris alloy wheels. Sold separately.

AERO PACK

The Aero Pack gives your car a more sophisticated, dynamic look.

Pack contains: Front and Rear Aero Bumpers, Running Boards and a Tailgate Spoiler.

Image includes 18" Geminis alloy wheels. Sold separately.

ROBUST PACK

Get a stronger, powerful look with the Robust Pack.

Pack contains: Front, Rear and Side Lower Decorations and Mirror Caps.

Image includes 18" Geminis alloy wheels. Sold separately.

ILLUMINATION PACK

The Illumination Pack uses a combination of lights to give an ambient atmosphere to the inside of your car.

Pack contains: Front Ambient Footlights and the Illuminated Doorstep Garnishes.

18" GEMINIS ALLOY WHEEL

The 18" Geminis comes with Gunpowder Black windows and a diamond cut A-surface with shiny clear coat.

18" CLARIS ALLOY WHEEL

The 18" Claris comes with Kaiser Silver windows and a diamond cut A-surface with shiny clear coat.

TAILGATE SPOILER

Add an extra sporty edge to the rear of your HR-V with this fully integrated Tailgate Spoiler in body colour.

PREMIUM BOOT ORGANISER

This innovative Boot Organiser enables you to organise your car's boot space and prevent items from moving around while driving.

BOOT TRAY WITH DIVIDERS

This waterproof anti-slip Boot Tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the HR-V logo. Dividers are included to keep your luggage in place.

SIDE BODY TRIMS

There's nothing more annoying than a scratch or dent in your car's bodywork. These Side Body Trims are made out of soft, impact-resistant material in body colour and provide all-round protection for your car.

DETACHABLE TOW BAR WITH 13-PIN TRAILER HARNESS

With this Detachable Tow Bar you don't need to compromise your car's styling if you're planning to tow a trailer. It has a maximum towing capacity of 1,000kg and a vertical load of 70kg.

BASE CARRIER

Expand your car's carrying capacity with a secure roof Base Carrier, including four locks. The maximum load capacity is 30kg (maximum weight of 35kg on roof).

DOORSTEP GARNISHES

The Doorstep Garnishes add a personal touch to your car while protecting the door sills from marks and scratches. They have an eye-catching, etched HR-V logo and are crafted in stainless steel.

Kit contains: Front and Rear Trims.

MIRROR CAPS

Enhance the individuality of your HR-V with these EU Matte Silver Mirror Caps. Designed to replace the existing ones. **Kit contains:** Two Mirror Caps.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted tufted Floor Mats with nubuck binding are durable and have a woven HR-V emblem.

Kit contains: Front and Rear Mats.

♦ Standard - Not available

* Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT.

^Δ A USB flash drive of 256 MB or higher is recommended and some devices may not be compatible.

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, including our new SUV range.

DREAMS REALLY DO COME TRUE

Models shown are CR-V 1.5 VTEC TURBO EX in Premium Crystal Red Metallic and HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the HR-V will be a right hand drive vehicle.
