

i20

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies.

In 2016 we launched IONIQ – the only car available in Hybrid, Electric and Plug-in Hybrid options. 2017 saw us premiere the i30 N, an exciting dive into the world of high quality performance vehicles. In 2018 we introduced the KONA electric, the first fully-electric subcompact SUV in the European market. 2019 will see the launch of NEXO, our latest innovation in the mass production of zero-emission Hydrogen Fuel Cell vehicles. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. We're proud of what we've achieved in a short space of time.

So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

The New i20 arrives with an array of impressive features, from expressive design and state-of-the-art safety innovations, to seamless connectivity and an extra roomy interior. Perfect for a spontaneous road trip or a quick drive to the shops – it's the perfect overall package.

Car shown i20 Premium Nav in Tomato Red solid paint.

Dynamic design to capture your imagination.

With its eye-catching profile and fresh new design, the new i20 really stands out from the crowd.

The expressive exterior now features boldly sculpted bumpers and Hyundai's signature Cascading Grille – which is framed by sweeping headlights with a unique LED light signature. The sporty fog lights and striking alloy wheels complete the dynamic look and add to its athletic appeal.

Luxurious quality everywhere you look.

The new i20 offers a winning combination of outstanding roominess and an elegant interior design. You'll enjoy a look that's as fresh inside as it is outside.

The premium cloth on the seats, plus beautiful stitching on the steering wheel offers an even more distinctive look. With space, style and refinement that is hard to find in a compact car, the cabin exudes a high-quality atmosphere. The sporty heated steering wheel features ergonomically positioned controls so you can stay connected and in control.

Interior shown i20 Premium SE Nav with Black Cloth Trim. Not to UK specification.

Shifts gears, transforms mindsets.

People used to think you needed a big engine to get good performance. That mindset has shifted thanks to the new i20.

The sporty and economical 1.0 T-GDi engine delivers 100PS and 172 Nm and provides a perfect combination of dynamism and efficiency. It is available with a new 7-speed dual-clutch transmission (7DCT), which combines the fuel efficiency and driving fun of a manual transmission with the convenience of an automatic transmission.

Seamless connectivity on every trip.

The New i20 provides you with the kind of seamless connectivity you'd expect, so you can keep in touch with your friends and family on every trip.

Ideally located for optimal access, the new 7" touchscreen supports Apple CarPlay™ and Android Auto™ so you can connect your phone and have your music, phone and app functions up on the big screen. Conveniently located AUX-in and USB ports also provide easy connectivity and fast charging.

Interior shown i20 Premium SE Nav. Not to UK specification.

Apple CarPlay™ is a registered trademark of Apple Inc. Android Auto™ is a registered trademark of Google Inc.

Spacious comfort for you and your family.

In our thinking, space isn't a luxury. It's a must. That's why the new i20 provides some of the best legroom in its class, with outstanding roominess for five adults.

If you need to load something bulkier – the 60/40 split-rear seats can easily be folded completely flat. This increases the trunk capacity from 326 litres to 1,042 litres (VDA), which gives you a whole lot of uncompromised space.

Welcome to Hyundai SmartSense.

The New i20 now also features Hyundai SmartSense – our cutting-edge Advanced Driver Assistance Systems.

Enjoy more safety on the road, and extra peace of mind on every trip. From automatically braking to avoid a collision and helping you stay in your lane, to automatically switching the high beam headlights on and off for better visibility, the new i20 is designed to protect you and your passengers.

Lane Keeping Assist (LKA). At speeds over 37 mph the system alerts the driver about unsafe movements. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to a safe position.

Autonomous Emergency Braking (AEB). Automatically applies partial or maximum braking force if a potential collision is detected.

Driver Attention Alert (DAA). This standard feature raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAA gets the driver's attention with an audible alert and pop-up message suggesting a break.

Emergency Stop Signal (ESS). ESS helps warn surrounding traffic when emergency braking on the i20 is detected.

Car shown i20 Premium Nav in Tomato Red solid paint.

S Connect offers the following features as standard:

- 7" Touchscreen Display Audio with Rear View
- Air Conditioning – Manual
- Automatic Headlights with Dusk Sensor
- Bluetooth® Connectivity
- Camera and Smart Device Integration
- Door Mirrors – Electric Adjustment and Heated
- Hill-start Assist Control (HAC)
- Interior Door Handles – Satin Chrome Effect
- ISOfix Child Seat Anchorage Points – Rear
- Phone Connection – Android Auto™/Apple CarPlay™
- Radio – Digital DAB
- Rear Seats – Split Folding (60/40)
- Seat Trim – Cloth
- Steering Column – Height and Reach Adjustable
- Steering Wheel Audio with Phone Controls
- Tyre Pressure Monitoring System (TPMS)
- Tyre Repair Kit
- USB and AUX Connections

SE offers the following features over S Connect:

- 15" Alloy Wheels
- Autonomous Emergency Braking (AEB)
- Cruise Control with Speed Limiter
- Daytime Running Lights – LED
- Driver Attention Alert (DAA)
- Fog Lights – Front
- Halogen Projector Headlights with Static Front Cornering Function
- High Beam Assist (HBA)
- Lane Keep Assist (LKA)
- Leather Wrapped Gear Knob and Steering Wheel
- Parking Sensors – Rear
- Spare Wheel – Temporary Space Saver (Tyre Repair Kit on 1.0 T-GDi 100PS Manual)

Premium Nav offers the following features over SE:

- 16" Alloy Wheels
- 7" Touchscreen Satellite Navigation including Rear View Camera, MapCare and LIVE services
- Automatic Dimming Rear View Mirror
- Climate Control with Automatic De-fog System for Front Windscreen
- Door Mirrors – Electric Adjustment and Heated with Power Folding Function
- Parking Sensors – Front and Rear
- Privacy Glass – Rear Side and Tailgate
- Rear Combination Lights – LED
- Supervision Instrument Cluster
- Tyre Pressure Monitoring System (TPMS) with Individual Tyre Pressure Warning
- Variable Height Boot Floor

Premium SE Nav offers the following features over Premium Nav:

- Exterior Door Handles – Chrome Effect
- Front Seats – Heated
- Heated Steering Wheel
- Smart Key – Keyless Entry with Engine Start/Stop Button
- Sunroof – Panoramic Glass Electric Tilt and Slide

Polar White – Solid

Aqua Sparkling – Metallic

Clean Slate – Metallic

Sleek Silver – Metallic

Tomato Red – Solid

Passion Red – Pearl

Stardust Grey – Metallic

Phantom Black – Pearl

Champion Blue – Metallic

Interior – Black Cloth

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.
† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.
‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle.
** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.
†† Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including accessories fitted (post registration), variations in weather, driving styles and vehicle load.
‡‡ g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide. There is a new test used for fuel consumption and CO₂ figures. The CO₂ figures shown however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration.

i20 DIMENSIONS

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside†.

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Hyundai Service Plans

For the school runs and the shopping trips. The multi-storeys and the motorways. Holidays, the commute, the appointment you simply can't be late for. This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances. So you're simply free to live your driving life knowing your servicing costs are already covered. With payment options to suit you and no interest or credit checks. Just the certainty that your Hyundai is always in great hands.

For more information visit hyundai.co.uk/owning, contact your local dealer or call us on **0800 981 981**.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
