# Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies.

In 2016 we launched IONIQ – the only car available in Hybrid, Electric and Plug-in Hybrid options. 2017 saw us premiere the i30 N, an exciting dive into the world of high quality performance vehicles. In 2018 we introduced the KONA electric, the first fully-electric subcompact SUV in the European market. 2019 will see the launch of NEXO, our latest innovation in the mass production of zero-emission Hydrogen Fuel Cell vehicles. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. We're proud of what we've achieved in a short space of time.

So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Timeless design,  
advanced connectivity  
and comprehensive safety  
technologies. The i30 range  
delivers on every level.

# Elegant style inspired by fluidic design.

Whichever model you select, the i30's confidence shines through every detail. Precise, sculpted surfaces and expressive touches create an air of sleek sophistication.

With a bold silhouette and intricate design details, the i30 range proudly showcases our fluidic design philosophy. From S to N Line, whichever specification you choose, you'll stand out from the crowd. Admire the new cascading grille on all models. Inspired by the idea of flowing molten steel, it creates an eye-catching impression of both strength and movement. On the N Line, you'll also enjoy a stylish N front and rear bumper, along with a new twin muffler at the rear, and distinctive N Line badging. Striking new full LED headlamps and LED daytime running lights complete the i30's elegant appeal.

**N** Line

Style meets sport with the i30 N Line. Enjoy an exhilarating drive featuring bespoke characteristics, including enlarged front brakes and performance tyres. With sporty exterior details and unique interior touches, its fine-tuned driving dynamics will take your experience to another level.

Car shown i30 N Line + in Engine Red solid paint. Not to UK specification.

From March 2019 i30 N Line and N Line + offers Black Beltline (Window Surround) as standard.

i30 N Line and N Line + will include body coloured door handles from March 2019.

Performance enhancement included on 1.4 140PS engines exclusive to N Line only.

**Exterior:** Eye-catching features include striking front and rear bumpers, a dual exhaust and stylish 18" alloy wheels. These impressive touches are rounded off with its signature N Line badge.

**Keyless Entry with Smart Key:** As well as looking the part, the N Line makes your life easier thanks to clever technologies such as keyless entry with smart key – perfect for saving time in the mornings.

**Sporty interior:** Drive in luxury with N Line sport seats. They arrive with power lumbar support, extendable cushions and N Line logo – available in faux suede and leather combination, or full cloth. Its sporty character is further enhanced by its black roofliner and N branded accents throughout.

**Dual Zone Climate Control:** Dual zone climate control means you'll drive in comfort, and there's plenty to keep you entertained along the way thanks to 8" touchscreen display audio with Apple CarPlay™ and Android Auto™.

# Agile handling for a dynamic drive.

Power combines with responsiveness to elevate performance. Whether you're exploring the city or heading further afield, you're set for a distinctive driving experience.

From S to SE and Premium to N Line, the i30 range is designed with turbocharged petrol engines to highlight its performance. At the top end is the 1.4 T-GDi, delivering 140PS. There's also a new 1.0 T-GDi with 120PS and a 1.6 CRDi diesel engine, available with a 115PS power output. While each i30 model boasts impressive capabilities, the N Line spec takes it to another level with fine-tuned sporty performance so you can add an extra twist to each journey. With a 7-speed Dual Clutch Transmission, sharper steering and agile handling on all models, you'll enjoy an exhilarating drive on every occasion.

# Stay connected with smart technologies.

Integrated connectivity makes your i30 a home away from home. With advanced innovations at your fingertips, it's never been easier to keep in touch with your friends and family.

Enjoy seamless access to the navigation and infotainment systems via the floating 8" touchscreen. LIVE Services, Apple CarPlay™ and Android Auto™ functionality arrive as standard on the i30 SE Nav upwards and will keep you in touch, informed and entertained throughout every journey. It's all presented in an elegant style that's simple to navigate, creating a driving experience that puts you at its heart.

# Calm sophistication for ultimate comfort.

From the S model to the N Line, the i30's clever use of space creates an atmosphere of relaxation. Stylish features and minimalist design help to highlight its high-quality interior.

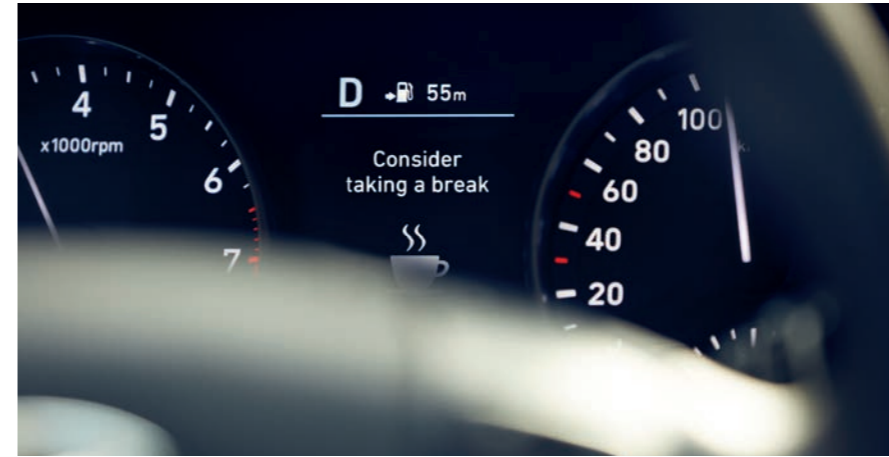

The intelligent layout of the cabin enhances the feeling of elegance, quality and space. As you'd expect, it's among the roomiest in its class. The large panoramic sunroof adds to this impression – allowing plenty of light to enter the interior. You'll also enjoy small touches like the button-operated electric parking brake. This frees up space between the front seats which are both available with heating. Bespoke details like the black headliner and cloth seats on the N Line help to give it a distinct feel. Whichever model you choose, you'll enjoy luxurious comfort on every trip.

**Driver Attention Alert (DAA):** It monitors driving patterns in order to detect fatigued driving and prevent potential accidents. DAA analyses various vehicle behaviours, such as steering angle, steering torque, the vehicle's position in the lane and driving time.

**Autonomous Emergency Braking (AEB):** This system works with the Front Collision Warning System (FCWS) to actively support your natural braking in a hazardous situation. If the risk of a collision is detected, it initially gives a visual and acoustic warning to the driver, before automatically applying the brakes.

**Blind Spot Detector (BSD):** A radar system in the rear of the car keeps you aware of vehicles that are following and potentially passing, informing you with an illuminated graphic in the wing mirror. If you activate the indicators and a hazard is still there, an audible signal also sounds.

**Lane Departure Warning (LDW) System with Lane Keep Assist (LKA):** A camera mounted in the windshield recognises lane markings. If your car starts to drift over the lane markings, without a turn signal being applied, it activates a visual and acoustic alert.

# Lightweight design to keep you going further.

From concept to build, the i30 was designed with efficiency in mind. Lightweight materials have been engineered to help it save weight - so you can save at the pumps.

The structure of the i30 was created using weight-saving Advanced High Strength Steel (AHSS). Its impressive level of innovation doesn't stop there - thanks to turbocharged engines, which have been ingeniously engineered not only for enhanced throttle response and low-end torque, but also for lightness. Compared with its predecessor, it saves 28kg in body weight - allowing you to go further between fuel stops.

- \* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.
- † Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.
- ‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.
- \*\* Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including accessories fitted (post registration), variations in weather, driving styles and vehicle load.
- †† g/km = grams of emitted substance per kilometre travelled. CO<sub>2</sub> = Carbon Dioxide. There is a new test used for fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures shown however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration.

## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

## 5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty\* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

### HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included, to get you home if your car can't be fixed at the roadside†.

### 5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

### ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit [hyundai.co.uk/warranty](http://hyundai.co.uk/warranty) for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit [hyundai.co.uk/assistance](http://hyundai.co.uk/assistance) for further details.

## Motability Plans

---

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## Hyundai Service Plans

---

For the school runs and the shopping trips.  
The multi-storeys and the motorways.  
Holidays, the commute, the appointment you simply can't be late for.  
This is your driving life.

Hyundai Service Plans are a convenient way to plan ahead, with a bespoke plan, tailored for your individual circumstances.  
So you're simply free to live your driving life knowing your servicing costs are already covered.

With payment options to suit you and no interest or credit checks.  
Just the certainty that your Hyundai is always in great hands.

## Hyundai Click To Buy™

---

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

## MyHyundai

---

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

## Staying In Touch

---

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at [www.hyundai.co.uk](http://www.hyundai.co.uk)
