

i30 Fastback

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

City driving, country cruising.

From curved rural roads to tight city streets, the i30 Fastback excels every time you drive it. Wherever you're going, it makes each journey more fun. Strap in and take it for a spin.

Sporty suspension and turbo engines ensure that the i30 Fastback performs as smoothly as you'd expect. Increased dynamism arrives thanks to its low chassis, which doesn't compromise the extremely high level of comfort. It's nimble in the city and a cruise in the country – a car for every occasion.

Seamless connectivity on every trip.

Step inside the i30 Fastback and access a new world of innovations to enhance each journey. As well as connecting your current technologies, you'll also explore new ones. It's a home away from home.

The navigation system features state-of-the-art technologies such as Apple CarPlay™ and Android Auto™, so you can connect your phone and display your playlists and other functions on the stylish 8" touchscreen – ideal for scrolling through your playlist. There's also a free seven year subscription to LIVE services, with weather, traffic and speed camera information delivered in real time. Keep your smartphone fully charged thanks to a wireless charging pad in the centre console. Relax and let the journey fly past.

Your safety is our priority.

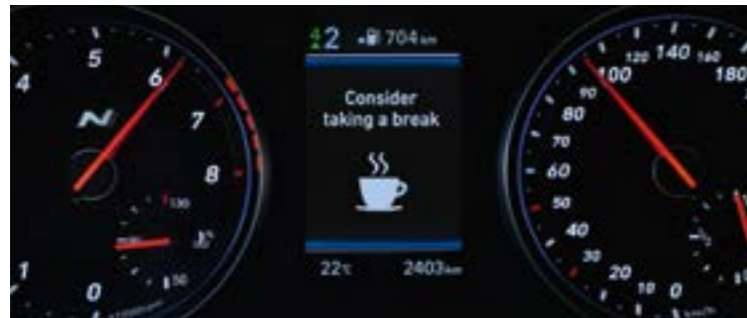

More safety features mean extra peace of mind. That's our philosophy when it comes to protecting you and your passengers, meaning you can rely on a whole host of features to keep you safe and sound.

Lane Keeping Assist (LKA). At speeds over 37 mph the system alerts the driver about unsafe movements. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to a safe position.

Autonomous Emergency Braking (AEB). Automatically applies partial or maximum braking force if a potential collision is detected.

Driver Attention Alert (DAA). This standard feature raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAA gets the driver's attention with an audible alert and pop-up message suggesting a break.

Emergency Stop Signal (ESS). ESS helps warn surrounding traffic when emergency braking on the i30 Fastback is detected.

Leading the segment with the latest active safety technology, the i30 Fastback proudly incorporates Hyundai SmartSense – our cutting-edge Advanced Driver Assist Systems. On board, you'll find a number of active and passive features to protect you and your passengers, leaving you free to enjoy the ride.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

5 YEAR UNLIMITED MILEAGE WARRANTY

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

HYUNDAI ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included to get you home if your car can't be fixed at the roadside[†].

5 ANNUAL VEHICLE HEALTH CHECKS

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

ADDITIONAL AFTERCARE

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit hyundai.co.uk/warranty for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit hyundai.co.uk/assistance for further details.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk
