Nav models feature satellite navigation with colour monitor.

*The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: vehicle load, accessories fitted (post registration), speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used. Please contact your Vauxhall Retailer for further information. WLTP Combined CO₂ (g/km) figures, valid 3 March 2020, are based on a configured vehicle as per pack code for UK with no options fitted.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge. Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability For more information please contact Vauxhall Motability FREE on **0800 731 5267** or email motability.customer@vauxhall.co.uk
