*The Corsa-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer. WLTP Combined CO₂ (g/km) figures, valid 1 October 2020, are based on a configured vehicle as per pack code for UK with no options fitted.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge. Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability For more information please contact Vauxhall Motability free on **0800 731 5267** or email motability.customer@vauxhall.co.uk
