Price and specification guide

Effective from 12.11.2020

WHATCAR?

**CAR
OF THE
YEAR
2020**

Small car
Winner

Protection all round. All round beauty.

Charismatic and confident, the Polo imparts maximum driving enjoyment. With its advanced technology, efficient engines and sophisticated driver's and safety assistance systems, it's one of the world's most advanced compact cars, providing more interior space and boot volume than ever before. The sporty exterior is designed to turn heads, matched by an interior that's totally at home in the digital age. No wonder it's creating such a stir.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint. Front cover model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint. Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.

Exterior.

01

02

03

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, LED dipped and main beam headlights and metallic paint. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

01 The Polo's rear design is strong and distinctive. A prominent tornado line extends from the front side panels along the doors and around the rear, defining the bodylines and creating a sculpted, sporty appearance. Stylish rear lights with LED number plate lights complete the square-edged rear design, giving real visual presence.

02 The 17 inch 'Pamplona' Dark Adamantium alloy wheels with five double spokes add serious sports appeal and complement the exterior design perfectly. Optional on SEL models.

03 The front design is sporty and athletic, characterised by the long bonnet and horizontal lines, giving a broader, more muscular appearance, while optional LED headlights with LED daytime running lights enhance its sharp look. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

Please note the new design Volkswagen roundel will feature on the front grille and alloy wheel centre caps.

Great view. Great outlook.

The optional panoramic sunroof gives an impressive uninterrupted view of the sky above, adding an extra dimension of light and space and creating a relaxing interior ambience.

01-03 Enjoy your surroundings. The optional **panoramic sunroof**¹ gives an unobstructed view to the sky above, allowing sunshine and fresh air to flood into the interior. Optional on Match, beats, SEL and R-Line models. Model shown is Polo SEL with optional panoramic sunroof and metallic paint.

¹ Not in conjunction with optional Black style pack or Black roof pack.

State-of-the-art technology with a design to match.

Sophisticated and advanced, the interior of the Polo is designed for today. Digital instruments are highly functional and easy to use, such as the innovative 10.3 inch Digital Cockpit Pro¹ and the latest generation infotainment systems, featuring glass, high-resolution touch-screen displays.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Digital Cockpit Pro, Adaptive Cruise Control (ACC) and metallic paint. Please note the new design Volkswagen roundel will feature on the steering wheel.

01 Style and comfort are second nature inside the Polo. Ambient lighting, standard on SEL models and above, provides real atmosphere, whilst a choice of **optional Dashpad and Style packs** as well as different upholstery colours, allow you to add individuality and colour, furthermore plenty of head and legroom helps keep you relaxed. Dashpad packs are optional on Match and SEL models.

02 Adjustable lumbar support allows you to enjoy maximum comfort and maintain the optimum position for your spine ensuring maximum comfort even on the longest of trips. Interior shown is Match with optional Art Velours upholstery.

03 The Start/Stop function, part of the Keyless entry option, enables you to start the engine using a button in the centre console, without taking the key from your pocket. Optional on Match, beats, SEL and R-Line models.

¹ Digital Cockpit Pro is optional on Match, beats, SEL and R-Line models. Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation's 8.0 inch touch-screen.

Model prices.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 24.9.2020. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. 2 The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models are only available from stock and not available to factory order.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 12 NOVEMBER 2020.

Polo Match.

The entry level Polo Match is impressively equipped, with many stylish touches. A higher level of comfort and style is enhanced by 'Millie' cloth upholstery, lumbar adjustment on the front seats, a leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip, illuminated vanity mirrors and rear tinted glass. The multifunction computer 'Plus' gives easy access to driving data, telephone operation, audio selection and driver assistant system's information, while reading lights front and rear, electrically heated and adjustable door mirrors and rear electric windows enhance driving comfort. Split folding 60:40 rear seat backrest and a variable load floor in the luggage compartment increases functionality, while allowing easy access and providing ample storage space for bulky objects. Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way, while front fog lights add presence to the exterior as well as helping with safety.

Interior shown is Polo Match 1.0 TSI 95 PS with optional Light & Sight pack, front centre armrest, climate control – 2Zone electronic air conditioning, Adaptive Cruise Control (ACC) and metallic paint. Please note the new design Volkswagen roundel will feature on the steering wheel.

Standard items of equipment: Match.

 - Front passenger's under seat drawer
 - Front seat back storage pockets
 - Front seats with lumbar adjustment (not beats or SEL)
 - Split folding rear seat backrest 60:40
- Reading lights, front x 2, rear x 2
- Storage compartments in front and rear doors

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

- Ready 2 Discover infotainment system
 - 8" colour touch-screen with natural, intuitive, touch sensitive functionality
 - Bluetooth telephone and audio connection for compatible devices¹
 - Car information display
 - DAB digital radio receiver
 - In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
 - Integrated SIM-card
 - MDI (Multi Device Interface), via USB-C connection – compatible products only
 - Music playback from MP3, WMA and AAC files
 - Simultaneous pairing of 2 compatible mobile devices
 - Title and cover art display
 - 1 x USB-C connection, USB charging socket (compatible products only)
 - 6 speakers, front and rear
- Premium USB-C cable (choice of either Apple or Android smartphone compatibility)
- 'App-Connect'²
 - Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM allowing 'mirroring' of smartphone display on the infotainment touch-screen
 - Wireless connection for Apple 'CarPlay'
 - USB connection for Google 'Android Auto' and 'MirrorLink'TM

WE CONNECT

- We Connect preparation³
 - Driver and vehicle integration via We Connect Portal or We Connect app
 - Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response
 - Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
 - Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule

SAFETY AND SECURITY

- ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)
- Alarm with interior protection, with deactivation via infotainment system
- Airbags
 - Driver's and front passenger's airbags with passenger's airbag deactivation switch
 - Curtain airbag system, for front and rear passengers
 - Front seat side impact airbags
- Automatic Post-Collision Braking System
- Disc brakes, front and drum brakes, rear
- Driver's and front passenger's safety-optimised head restraints
- Electronic engine immobiliser
- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Height-adjustable front three-point seat belts with tensioners
- High level 3rd brake light
- Isofix child seat preparation (for 2 outer rear child seats)
- Rear head restraints x 3
- Rear three-point seat belts x 3 with tensioners
- Remote central locking with 2 remote folding keys

SAFETY AND SECURITY (CONTINUED)

- Tyre pressure monitoring system
- Warning buzzer and light for front seat belts if unfastened

COMFORT AND CONVENIENCE

- Air conditioning, manual
- Dust and pollen filter
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Heated rear windscreen, automatically switches off
- Internally adjustable door mirrors
- Manually dimmable interior rear-view mirror

EFFICIENCY

- Battery regeneration (recuperation – energy recovery during braking)
- Start/Stop function

DRIVER'S ASSISTANCE

- Cruise control with speed limiter (not beats, SEL or R-Line)
- Driver Alert system
- Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection
- Hill hold function
- Multifunction computer 'Plus'
 - Driver assistance (where applicable)
 - Driving data
 - Telephone operation and phone book
 - Navigation instructions (where applicable)
- Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system (not beats)
- Power-assisted steering, speed-sensitive
- Speedo and rev counter, electronic odometer, trip, service interval display, digital clock and fuel gauge
- Warning 'lights on' buzzer

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

2 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.

3 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Please note the new design Volkswagen roundel will feature on the alloy wheel centre caps.

Standard items of equipment: UNITED[†] (over Match).

WHEELS AND SUSPENSION

- Branded points of interest
- Dynamic guidance via We Connect Plus online traffic information
- Preloaded European navigation data
- SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Speed Limit Display¹
- Three route options (Fast, Short, Eco)
- 2D/3D map view

2 x USB-C connection, USB charging sockets, front of armrest and 2 x USB-C connection, USB charging sockets, rear of armrest (compatible products only)

WE CONNECT PLUS[®]

We Connect Plus preparation^{2,3}

- Vehicle based services for: Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online ventilation control, Lock & unlock⁴
- Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates
- Streaming and internet based services⁵ for: Internet radio, Wi-Fi hotspot and Media streaming²

Model shown is new Polo UNITED with optional metallic paint.

1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
 3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
 4 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
 5 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelcom.com
[†] Please note these models are only available from stock and not available to factory order.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Please note the new design Volkswagen roundel will feature on the alloy wheel centre caps.

Standard items of equipment: beats (over Match).

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Torsby' Black diamond-turned with 195/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Dark Adamantium door mirrors with integrated indicators
 Unique 'beats' badging on B-pillar
 Unique 'beats' decals on lower door panel

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

 – 300 watt output

INTERIOR

Carpet mats, front and rear
 'Deep Iron' trim in dash and centre console
 Leatherette door panels
 Paddle shift on steering wheel (auto DSG only)
 Seating
 – Upholstery – 'Tracks 2' cloth seat centre section and leatherette/ 'Tracks 2' side bolsters
 – Front sports seats with height adjustment and 'beats' logo on rear seat backrest
 Unique 'beats' door sill protectors

Polo SEL.

01 The **Polo SEL** ensures a luxurious and comfortable driving experience. 'Tracks 2' cloth upholstery, 'Deep Iron' decorative inserts, interior chrome-plated detailing and front and rear carpet mats create a stylish and relaxed interior, enhanced by ambient lighting in the front footwell and light strips below the trim in the front and rear doors and dashboard. Front sports seats feature height adjustment, while the Discover Media Navigation infotainment system provides a full range of in-car entertainment, navigation and communication functions, and a storage compartment in the front centre armrest provides a practical touch.

02 **Climate control – 2Zone electronic air conditioning with automatic air recirculation** features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function.

03 The stunning looking **16 inch 'Las Minas' alloy wheels** characterise the design of the SEL and provide an elegant flair as well as a sporty look to the exterior.

04 **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

Standard items of equipment: SEL (over Match).

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Las Minas' with 195/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Chrome trimmed strip on lower bumper

INTERIOR

- Carpet mats, front and rear
- 'Deep Iron' decorative inserts
- Chrome-plated air vent surround
- Chrome-plated electric mirror adjustment switch surround
- Chrome-plated electric window button surround
- Chrome-plated instrument surrounds
- Front centre armrest with storage compartment, longitudinal adjustable
- LED interior lighting: 2 reading lights front and rear with interior delay and dimming function
- Seating
 - Upholstery - 'Tracks 2' cloth
 - Front sports seats with height adjustment
 - Split folding rear seat backrest 60:40

SAFETY AND SECURITY

Disc brakes, front and rear (1.0 ltr TSI 110 PS engine only)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

- Discover Media Navigation infotainment system (in addition to Ready 2 Discover infotainment system) (Not R-Line)
- Branded points of interest
 - Dynamic guidance via We Connect Plus online traffic information
 - Preloaded European navigation data
 - SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
 - Speed Limit Display¹
 - Three route options (Fast, Short, Eco)
 - 2D/3D map view
- 2 x USB-C connection, USB charging sockets, front of armrest and 2 x USB-C connection, USB charging sockets, rear of armrest (compatible products only)

WE CONNECT PLUS®

We Connect Plus preparation^{2,3} (not R-Line)

- Vehicle based services for: Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online ventilation control, Lock & unlock⁴
- Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates
- Streaming and internet based services⁵ for: Internet radio, Wi-Fi hotspot and Media streaming²

COMFORT AND CONVENIENCE

- Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard
- Climate control - 2Zone electronic air conditioning with automatic air recirculation (not R-Line)
- Manual coming/automatic leaving home lighting function
- Rain sensor and automatic dimming interior rear-view mirror

DRIVER'S ASSISTANCE

Dynamic road sign display

1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
 3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
 4 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
 5 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Please note the new design Volkswagen roundel will feature on the alloy wheel centre caps.

Polo R-Line.

Exciting, sporty and stylish, the Polo R-Line is no ordinary model. It has its own unique styling, providing a level of specification that is fitting for a car of this stature, adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille. The unique 'R-Line' badging and striking 16 inch 'Sebring' Galvano Grey alloy wheels add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line.

01

02

01 The R-Line exterior packs a punch from the minute you set eyes on it. The specially designed 'R-Line' front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille, extended side skirts and unique 'R-Line' badging create a powerful front design, with an assured sense of style.

02 16 inch 'Sebring' Galvano Grey alloy wheels with its distinctive five double-spoke design enhance the sporty appearance, completing the stylish look.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, panoramic sunroof, LED dipped and main beam headlights and metallic paint. Please note the new design Volkswagen roundel will feature on the front grille and alloy wheel centre caps.

01 The interior emphasises the sporty character of the Polo R-Line, demonstrated by the **leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo**, Titanium Black rooflining and sun visors, and stainless steel pedals. Electrically heated, adjustable and foldable door mirrors feature reverse-activated kerb-view adjustment on the passenger's side, completing the impressive specification, reinforcing the quality and attention to detail.

02 **Front sports seats** feature the familiar 'R-Line' logo on the backrest and are finished in contemporary 'Carbon Flag' cloth upholstery.

03 The unique **door sill protectors with 'R-Line' logo** are proudly seen as the door opens adding an extra touch of sportiness to the dynamic appearance.

Standard items of equipment: R-Line (over SEL).

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Sebring' Galvano Grey with 195/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Chrome effect trapezoid fascia exhaust tailpipe surrounds, left and right

LED tinted rear light clusters

Rear diffuser

'R-Line' styling pack - 'R-Line' design front and rear bumpers with unique 'C' signature 'Gloss Black' front air intakes, rear roof spoiler, radiator grille and side skirts

Unique 'R-Line' badging

INTERIOR

'Glossy Shadow Steel' decorative inserts

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo

Paddle shift on steering wheel (auto DSG only)

Seating

- Upholstery - 'Carbon Flag' cloth
- Front sports seats with lumbar adjustment and 'R-Line' logo on seat backrest

Stainless steel pedals

Titanium Black rooflining and sun visors

Unique 'R-Line' door sill protectors

COMFORT AND CONVENIENCE

Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger's side

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels and metallic paint. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

Infotainment and connectivity.

The Polo is truly a car of the digital age, providing endless infotainment and connectivity possibilities, exceptional ease of use and amazing functionality. Take the Digital Cockpit Pro, offering five different customisable screens and journey data, with either large or small dials depending on your preference, on the interactive 10.3 inch high resolution screen, enabling you to view information exactly as you wish in the configuration of your choice.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Digital Cockpit Pro and Adaptive Cruise Control (ACC).

01-03 It's up to you in which configuration you display data. Thanks to the **Digital Cockpit Pro's** fully configurable screen¹, you can view combinations of information, from a full screen navigation map to detailed driving data such as journey time, speedometer display and fuel level, phone information or driver assistance systems. The choice is yours. Optional on Match, beats, SEL and R-Line models. Images shown feature cruise control which is optional on beats and SEL models.

¹ Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation's 8.0 inch touch-screen. Please note the new design Volkswagen roundel will feature on the steering wheel.

Completely free. But well connected.

Whatever your plans, you're totally flexible in the Polo. We Connect online mobile services provide remote access via your smartphone, enabling you to stay connected with everything that's important to you whilst still enjoying complete independence.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

It's never been easier to stay connected.

Thanks to 'App-Connect'¹, your smartphone, your music, your messages, the internet, and selected apps are available at your fingertips. Simply connect your smartphone via USB-C connection for Google 'Android Auto' or 'MirrorLink'[™] and Wireless connection for Apple 'CarPlay' to the infotainment touch-screen and your phone integrates seamlessly into your infotainment system allowing you to listen to your favourite music, use your phone, view messages or check the latest news and journey information. It's that simple to stay connected.

01 'App-Connect'¹ combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'[™], allowing you to mirror apps from your smartphone onto the infotainment touch-screen. Via USB-C connection for Google 'Android Auto' or 'MirrorLink'[™] and Wireless connection for Apple 'CarPlay', it cleverly allows display and operation of certified apps including audio and voice control, if supported by the app, and gives you access to your favourite smartphone functions, such as music, messages, phone and news. Please note, there is usage of only certified apps while driving. Standard on all models.

02 The Digital Cockpit Pro is a fully configurable, interactive 10.3 inch TFT display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer, and a number of items displayed behind them. When used in navigation mode, in conjunction with the Discover Media Navigation infotainment system², you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Digital Cockpit Pro is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver's optimum field of vision. Optional on Match, beats, SEL and R-Line models.

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check smartphone compatibility.
 2 Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media Navigation infotainment system, the navigation map cannot be displayed on the Discover Media Navigation's 8.0 inch touch-screen.

Images shown are Polo SEL with optional 'Energetic Orange' Dashpad pack and metallic paint.

Everything to hand. Exactly as you'd expect.

Want to combine your selected route with your favourite music? No problem. The infotainment systems in the Polo couldn't be easier to use. Featuring high quality, touch-screen displays, they're ergonomically designed for intuitive use with everything to hand, exactly where you'd expect it to be. Sit back, enjoy the journey and the entertainment.

01 The Ready 2 Discover infotainment system is equipped with an 8.0 inch colour touch-screen with intuitive, touch-sensitive functionality, an integrated SIM-card, Car information display, DAB digital radio receiver and Multi Device Interface (MDI). Connectivity is provided by 1 x USB-C connection with Premium USB-C cable (choice of either Apple or Android smartphone compatibility) with a USB charging socket (compatible products only). It also allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices and Bluetooth telephone and audio functionality¹. Six speakers, situated to the front and rear, make sure excellent acoustics are delivered on every journey. In addition, the 'In-Car' shop allows you to purchase additional services even after vehicle has been purchased, i.e. We Connect contract extensions or an upgrade to your Ready 2 Discover infotainment system to include navigation services. Standard on Match, beats and R-Line models.

02 The Discover Media Navigation infotainment system with We Connect Plus preparation^{2,3} builds upon the impressive Ready 2 Discover infotainment system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco) and dynamic guidance via We Connect Plus online traffic information. The system also offers branded points of interest and Speed Limit Display⁴. We Connect Plus preparation provides streaming and internet based services⁵ for Internet radio, Wi-Fi hotspot and Media streaming with navigation based services for Online voice control, Online traffic information, Online route calculations and Online destination import. It also includes vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm and Lock & unlock⁶. Standard on UNITED and SEL and optional on all other models.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
 2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
 3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
 4 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 5 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com
 6 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.

Images shown features optional 'Energetic Orange' Dashpad pack.

Safety is a team effort.

When it comes to safety, the Polo is well equipped, scoring a maximum Euro NCAP five-star rating. Which means it's well equipped to take good care of occupants and other road users. A wealth of on-board driver assistance systems help you travel safely and comfortably, arriving at your destination relaxed and stress free.

Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, panoramic sunroof and metallic paint. Please note the new design Volkswagen roundel and badging will feature on the rear tailgate and alloy wheel centre caps.

[Volkswagen service and service plan](#)

01 The Front Assist monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 The PreCrash preventive occupant protection recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on Match, beats, SEL and R-Line models.

03 The Park Assist system not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Polo steers itself into its chosen space. Optional on Match, beats, SEL and R-Line models.

04 The Driver Alert system monitors driver behaviour. As soon as it detects unusual driving patterns, such as lane deviation or erratic steering movements, it recommends taking a break via visual and acoustic signals. Standard on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Please note the new design Volkswagen roundel will feature on the front grille and alloy wheel centre caps.

01 Lane Assist with blind spot detection with rear traffic alert provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on on Match, beats, SEL and R-Line models as part of the Lane Assist with Blind spot detection options.

02 The rear-view camera displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on on Match, beats, SEL and R-Line models. Image shown features optional Discover Media Navigation infotainment system.

03 Adaptive Cruise Control (ACC)¹ including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Optional on Match, beats, SEL and R-Line models.

¹ Not in conjunction with 1.0 litre TSI EVO 80 PS engines or cruise control. Images shown features optional metallic paint.

1 Steel space saver spare wheel is only available in conjunction with optional 16" or 17" alloy wheels.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

¹ We Connect Plus services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of We Connect Plus services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal. ² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates. ³ Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat. ⁴ For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at vw.cubictelcom.com ⁵ Only operable in conjunction with compatible inductive charge enabled smartphones.

Your Polo. Your design. Your style.

It's up to you how your Polo looks. Optional style packs provide a choice of finishes, interior styling, interior and exterior colours and equipment, offering all the customisation options you need to create your own unique Polo. So you feel totally at home, the moment you sit behind the wheel.

01-02 The **Black style pack**¹ is elegant and classic, comprising a range of black features to create a stylish and exclusive look. The **metallic Black roof and upper door mirror housings** create a dynamic contrast with your chosen vehicle colour.

Also included in the Black style pack are the 16 inch **'Torsby' Black diamond-turned alloy wheels** featuring a five double-spoke design. Their glossy black look provides a further contrast with the vehicle colour, while wide 195/55 R16 tyres enhance the exterior's sporty appeal. Optional on Match and SEL models.

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, Black roof pack, 'Energetic Orange' Dashpad pack, LED dipped and main beam headlights and metallic paint. Please note the new design Volkswagen roundel will feature on the front grille and alloy wheel centre caps.

¹ Not in conjunction with optional Black roof pack or panoramic sunroof.

[Configure now >](#)

01

01 Not only does the **Black style pack**¹ deliver a sporty and dynamic look, it also ensures exceptional comfort, thanks to the front sports seats equipped with lumbar support, 'Level' cloth seat centre section and 'Carbon leather' side bolsters. The look is completed by the Titanium black rooflining and sun visors, 'Deep Iron' upper dashpad, and front and rear carpet mats, creating a luxurious and inviting interior, while two LED reading lights in the front and rear with interior delay and dimming function help create a relaxing interior ambience. Optional on Match and SEL models. Interior shown is Polo SEL with optional Black style pack, Dashpad pack, Digital Cockpit Pro and metallic paint.

Also available as an option is the **Style pack**, which includes all the interior equipment of the Black style pack. Optional on Match and SEL models.

¹ Not in conjunction with optional Black roof pack or panoramic sunroof. Please note the new design Volkswagen roundel will feature on the steering wheel.

01

01 The **Dashpad pack** allows you to introduce even more colour and individuality to the interior of your Polo, with a choice of 'Energetic Orange' or 'Silver Silk' dashpad inserts. Optional on Match and SEL models. 'Deep Iron' dashpad is standard on SEL models. Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Digital Cockpit Pro, cruise control and metallic paint.

02 When choosing your Polo, why not make the most of the opportunity to express your individual style? Thanks to the extensive choice of finishes, there's a wide selection of stylish body colours and you can further enhance the visual presence by selecting the **Black roof pack**¹, comprising of metallic Black roof and upper door mirror housings and rear tinted glass from B-pillar backwards. Matched with a vibrant body colour such as 'Energetic Orange' or a classic colour such as 'Pure White', it ensures your Polo really stands out, while creating a truly individual look. Optional on Match, SEL and R-Line models.

02

Model shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Black roof pack and metallic paint.

¹ Not in conjunction with optional panoramic sunroof. Please note the new design Volkswagen roundel will feature on the steering wheel.

VED and additional 'On the road' costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

Diesel[‡] – 'First year rate' VED

Alternative fuel – 'First year rate' VED

191-225	1,295.00	1,985.00
226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

[†] Diesel cars that are tested to RDE2 standards. [‡] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	325.00	325.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 12 NOVEMBER 2020.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 12 NOVEMBER 2020.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
 2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 12 NOVEMBER 2020.

Volkswagen service.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

TAX FREE SALES

For full details, please contact your authorised Volkswagen retailer.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Interior shown is Polo beats with optional Discover Media Navigation infotainment system, climate control – 2Zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.
